Are you taking SIMMONS LIVER REQ-ULATOR, the "KING OF LIVER MEDI-CINES?" That is what our readers want, and nothing but that. It is the same old friend to which the old folks pinned their faith and were never dis-appointed. But another good recom-mendation for it is, that it is DEFFER THAN PILLS, nover gripes, never weak-ehs, but works in such an easy and natural way, just like nature itself, that relief comes quick and sure, and one relief comes quick and sure, and one fields new all over. It never fails. Everybody needs talks a liver remedy, and everyone should take only Simmons Liver Regulator.

"Watch the Professor."

During the summer months it is a ery usual occurrence to see college professors of all sizes, ages and kinds going up and down the earth seeking whom they may devour, claiming, this one because he is a Methodist, that one because he is a Presbyte rian, and another because he is a Baptist. They enlist all the preach ers, exherters, Sunday School super intendents and ,teachers, elders and deacons to induce boys and girls to attend their schools simply because they are Baptist, Methodist or Presbyterian. This would be all right if Satan did not get in his work by in schools and in so doing depart from

ments of their office. Tazewell College, a non-denomina tional school, claims the patropage of everybody, be he Jew or Greek, bond or free, protestant or Catholic, Demperat or Republican, saint or sinner. simply because it is a school for the education of boys to the highest standard of morals and intellectual attainments.

When a school drummer comes to you with insinuations, telling you that you must not support this college or that for it is Methodist, Baptiet or Presbyterian, be as wise as serpents and harmless as doves, but 'Watch the professor;" we repeat, Watch the professor.
